Skills

I am a young but very dedicated and focused semi-professional esports player, working hard pursuing my passion for Overwatch. I am highly motivated, team focused, and try to always bring high energy and enthusiasm to every single match I play. I am currently working with two Tier 2 (Contenders) level coaches to continue my growth - feedback for me is essential. My English is fluent and easy-to-understand: I greatly value and understand the importance of communication. I am eager to climb in the Path-To-Pro.
