### Skills

---

I am a young and ambitious semi-professional esports player currently working hard on the path-to-pro in Overwatch. I highly value and respect coaching and critiques and always take on board all feedback. I strive for continuous improvement and place an emphasis on hard work and perseverance. I am a team oriented player and work hard to enable my teammates. This team focus is one of the reasons I enjoy the Flex Tank position - it allows me to both help in the winning of fights while also protecting and planning/strategizing in real time with my teammates.
